

SentriLock Info Session

SentriLock has been around for years... most recently in the North Shore and surrounding areas. NSBAR is committed to its membership in that we are committed to assist with electronic keycard and lockbox needs. For those of you who may have missed formal training last August, or have not touched the equipment since you received it, why not spend 90 minutes of your time in Northbrook learning about this powerful new tool?

NSBAR will walk you through the basics of SentriLock, pointing out the 4 main components of the system, what each part does, and how to streamline your lockbox records and showings.

Northbrook, May 22nd, from 10am – 11:30am

Barrington, July 8th, from 2pm – 3:30pm

Instructor: Rachel Neally
