

How NSBAR creates statistics using connectMLS and Agent Metrics

Statistics are a valuable part of any economic sector, especially in a changing real estate market. This course intends to show you how we create statistics and what tools in connectMLS and Agent Metrics you can use to create your own.

Items we will cover:

1. The value of Statistics
2. Show agents how to use tools already available to them in connectMLS and Agent Metrics
3. How to create an Area Market Survey and a Market Statistics Report
4. What are the differences between the two reports and why they are important?
5. Create a basic search in Agent Metrics
6. Customize a search in Agent Metrics
7. Viewing the data from Agent Metrics
